freight	freight for the above to your choice of carrier, Seattle, WA	1	2,957.00	2,957.00
freight	freight to Homer based upon the rate you told me which I think was \$1.15 a pound. Please note this is just an approximate. We reserve the right to charge the actual amount whether lower or higher at time of invoicing. Approximate ship weight 1,000 pounds and will include shipping material/box/crate. This is an approximate, actual charge will be based upon the final bill from the barge company you recommended. Or, if it works better for you, we can ship to your carrier, Seattle, WA, then they can bill you the charges. Delivery approximately 8-12 weeks after receipt of order and will be dependent upon mfg's production schedule and freight company(ies) schedule to Homer. Please let me know if you have any questions or if there is anything else we can do for you. Thank you. Kit Wilson	1	1,150.00	1,150.00
