1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
 The Woodridge Rotary Club has supported high school graduates through college scholarships each year since 1990. These graduates need financial support for college. We also wish to promote, however, the principles of Rotary by recognizing these young folks for their commitment during high school to "service above self." We were able to identify three college-bound students to assist in 2022-23. At our annual recognition dinner, we saluted the students and parents who demonstrated the principles of Rotary.
2. How many Rotarians participated in the project?

3. What did they do? Please give at least two examples.
Rotarians solicit applicants. They evaluate the applicants.
4. How many non-Rotarians benefited from this project?
