Project Description:

1. Describe the project. What was done, when, and where did project activities take place? If this is a progress report, what remains to be done?

We established a food pantry for seniors at the NYC New Lane Senior Housing Project. We provided food from City Harvest along with purchasing food from grocery chains. On occasion when one of our members were able to secure new articles of clothing we distributed that as well.

At Thanksgiving, the five Rotary clubs on Staten Island distribute 1000 turkey dinner boxes for families. We were able to provide 25 residents with the fixings for

2. How many people benefited from this project?

3. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met?

All the recipients of the food were seniors that were house in the NYCHA Housing Project. Many of them were on fixed incomes and you could see the need in that they lined up for the food two hours before we arrived at the site.

4. How many Rotarians participated in the project?

5. What did they do? Please give at least two examples, not including financial support provided to the project.

They went and picked up the food at City Harvest, went to stores and purchased food, delivered the food, set up their tables that they purchased, specifically for this activity, distributed the food and broke down and cleaned up the site of the food pantry.

This was done twice a month.

6. If a cooperating organization was involved, what was its role?

The South Shore Community Food Pantry helped us get started since we had no prior experience setting up and running a food pantry. Since then the founder of the South Shore Community Food Pantry has opted to join Rotary.
