

5. How many non-Rotarians benefited from this project?

Approximately 1,000 sets of high quality, new boots and coats were distributed to students from 30 elementary schools in Northern Colorado. High quality, new gear valued @ \$140 was acquired from a local sports store @ a deep discount of \$60/ per student.

6. Who are the beneficiaries and what is the expected long-term community impact of this project?

Beneficiaries of the project are the 1,000 students who will be warm & dry while playing outside as well as traveling to and from school. There is a sense of pride from having brand new coats and boots.

7. If a cooperating organization was involved, what was their role?

The North College Business Association, a not-for-profit organization of businesses is the primary sponsor of this annual effort. Hundreds of individuals and businesses assist through financial contributions.
