Project Title: 4712 Special Needs Day

Progress Report Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? This is the 10th year Rotary has participated in the project. The Channahon Carnival opens 1 day early to serve students with profound special needs. The students are treated to rides, food, face painting, dance and more.
2. How many Rotarians participated in the project? 26 total.
3. What did they do? Please give at least two examples. Rotarians help with meal time from 10:00 – 1:30. We open drinks, wipe up spills, and assist families with food distribution. After that, we clean up by wiping tables, consolidating leftover food, and packing up leftover paper products.
4. How many non-Rotarians benefited from this project? Students totaling 1600
5. What are the expected long-term community impacts of the project? We serve the neediest of our community and by doing so, serve their families. It is a good respite for families of young adults and students of special needs
6. If a cooperating organization was involved, what was its role? This is a multi-group cooperation. Some include Rotary Clubs from Morris and Channahon – Minooka, The Channahon Park District, and various Lions Clubs.
