Kristen Sanger
Idaho Falls Rotary

Dear Kristen,

On behalf of our board of directors, staff, stakeholders and volunteers we are grateful to Idaho Falls Rotary for the donation of \$2,762 to support our Ready.Set.GO! Weekend Food bags. This program helps elementary students facing food insecurity on the weekends and school holidays. All funds go directly to help purchase food for this program.

Eastern Idaho needs us more than ever, and no other organization is better positioned to do this work than United Way. As we continue in uncertain times it calls for us to work together faster and more efficiently than we ever have before. We are continuing to identify and align non-profit service providers in support of most vulnerable individuals and families.

Please feel free to reach out with any questions that you may have. And thank you again for your investment in United Way and the community.

Sincerely,

Christine Wiersema
CEO
