

**District Grant Report**

Rotary Club: Whittier Sunrise Rotary Club

Project Title: Children's Outreach Concert

Progress Report       Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?  
 The Whittier Regional Symphony held its annual Children's Outreach Concert on May 9, 2024, at the Vic Lopez Auditorium at Whittier High School. Fourth graders and a few fifth graders in 4<sup>th</sup>- 5<sup>th</sup> combinations from Whittier area elementary schools attended.

2. How many Rotarians participated in the project?  
 Four of our club members participated.

3. What did they do? Please give at least two examples.  
 We assisted with the unloading of school buses that brought the students to the auditorium and then with the reloading after the concert. We also helped lead the students to their seats in the auditorium and other crowd management activities.

4. How many non-Rotarians benefited from this project?  
 A total of over 1,200 students and their accompanying teachers.

5. What are the expected long-term community impacts of the project?  
 Introduction of students to orchestral music leading more to take up instruments in middle and high school. Music education is generally understood to enhance other areas of education. Our club also has a vested interest in music education in the schools as our annual fundraiser, the Battle of the Bands, is made possible by the music programs in our area's high schools.

6. If a cooperating organization was involved, what was its role?  
 The Whittier Regional Symphony Association organizes the Children's Concert as a part of its yearly free concert schedule for the Whittier public. Our contribution is directed to the transportation of students.
