

**District Grant Report**

Rotary Club: Laguna Beach Rotary Club

Project Title: Friendship Shelter Transition Care Packages & Support (P-4835)

Progress Report |  Final Report

**1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?**

Finalized a list of current cleaning supplies and equipment requested by Friendship Shelter. Purchased Care Packages of cleaning supplies and equipment to homeless persons moving from Friendship Shelter to transition apartments. Friendship shelter distributes supplies, and equipment to individuals moving from shelter to transitional apartments managed by Friendship Shelter. Appreciation event for Friendship management and employees for their hard work and service is currently on June 27th.

**2. How many Rotarians participated in the project?**

Members (4) researched and purchased various items. Members (2) coordinated with personnel for delivery. Members (5) organized appreciation event for staff members. Members (2-3) will attend appreciation event.

**3. What did they do? Please give at least two examples.**

Members (4) researched and purchased various items. Members (2) coordinated with personnel for delivery. Members (5) organized appreciation event for staff members. Members (2-3) will attend appreciation event.

**4. How many non-Rotarians benefited from this project?**

- Approximately 20 Home Care kits will be created to support transitional program. Equipment distributed on sign out basis from main facilities per group locations.
- Friendship Shelter personnel has estimated 70 employees who will be honored on June 27<sup>th</sup>.

**5. What are the expected long-term community impacts of the project?**

Homeless persons who move from the Friendship Shelter into regular housing often find themselves moving into spaces that require an initial clean-up. The getting-started cost of obtaining the supplies and equipment needed, although it might appear to be modest to many of us, can be a real obstacle for those of very limited means. Under the guidance of the staff at the Friendship Shelter, the Rotary Club of Laguna Beach has developed a kit of the most needed supplied and equipment. The kits also contain a grocery store gift care to support the initial stocking-up that everyone faces when moving into a new home. It is hoped that by providing these kits to homeless persons in need, we can help to remove one obstacle to continued success at avoiding homelessness. A celebration meal will honor, and show appreciate to the Friendship personnel on June 27th.

**6. If a cooperating organization was involved, what was its role?**
