

District Grant Report

Rotary Club: Laguna Beach Rotary Club

Project Title: Literacy and Education Support (P-4836)

Progress Report Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Part 1: Purchase and distribute dictionaries to all 3rd graders at Laguna Beach Elementary schools.

Used extra dictionaries from previous years and only ordered enough to cover this year's project

Distribution at El Moro was on November 2nd at 9:15.

Distribution at Top of the World was on October 26th at 12:30.

Part 2: Books were purchased for the libraries of El Morro and Top of the World schools. Club provides the District with funding who establishes the PO so that each Librarians can order books. Each book has a Rotary Club sticker.

Part 3: Rotarians read monthly to the 1st, 2nd and 3rd graders at each school. Rotarians read four times a month at each school.

***The beneficiaries are the K-3 students.

2. How many Rotarians participated in the project?

Part 1: 1 Rotarian ordered the Dictionaries; 1-2 Rotarian coordinates with elementary schools; 3-5 Rotarians: Distribute Dictionaries to 3rd graders at each of the school's assemblies.

Part 2: 1-2 Rotarian coordinates with school Librarians to order books and attach Rotary stickers; 5-10 Rotarians read to the students.

3. What did they do? Please give at least two examples.

Project 1:

- 1 Rotarian: Order Dictionaries
- 1 Rotarian delivered the Dictionaries to participating schools
- 2 Rotarians scheduled the Presentations.
- 4 Rotarians will present the Dictionaries.

Project 2:

- 2 Rotarians contacted librarians and Follette.
- 1 Rotarian worked with the school administration on payment processing and selection of books.
- 1 Rotarian scheduled Book readings
- Multiple Rotarians will read library books.

4. How many non-Rotarians benefited from this project?

- 300+ Elementary School Students total

5. What are the expected long-term community impacts of the project?

Project 1: For over 20 years, Rotary Club of Laguna Beach has distributed Dictionaries to every third grader in attendance at a Laguna Beach-area school.

The Dictionaries have a lasting impact on the third graders. Members of our club are approached from students who received their dictionaries over 15 years ago, and our members have been told how thrilled those students were to receive their dictionaries when they were in third grade. Importantly, each student gets to keep his or her dictionary as he or she continues through elementary school. The student is able to use the dictionary to enhance his or her research, improve spelling, and to assist with reading comprehension.

Project 2: The lasting impact of this project, besides the obvious one of providing additional quality books to the libraries, is the positive impression made on the students, by someone other than their teachers and parents, of the value and fun of books and reading.

6. If a cooperating organization was involved, what was its role?

- Not applicable.
