Here are some signs

- Malnourishment
- Often misses school
- Branding or tattoos
- Runaway/Homelessness
- With an older controlling person
- Looks scared
- Won't make eye contact
- Bruises and/or scars
- Sudden change in appearance

What Not To Do
Do NOT approach victim or trafficker. You can be seriously injured or killed. You could potentially put the victim in danger.

What You Can Do
Gather as much information as you can from a distance: height, weight, hair color, tattoos, scars, or bruising, car, and license plate number.
