Rotary Club: Orange Plaza

Project Title: Stop Hunger Now

Progress Report Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

With the assistance of 20 volunteers from the community, El Modena Interact and other Rotary clubs, we packed 11,400 "Stop Hunger Now" packages containing proteins, dried vegetables and rice. The event was held October 17, 2015 in the El Modena High School Cafeteria.

2. How many Rotarians participated in the project? 15

3. What did they do? Please give at least two examples.

Volunteers set up and maintained the packing stations – tables, one for each team, that had bins of rice, dried vegetables and rice that refilled from bulk packages during the event

Volunteers filled individual baggies with meal mixture – working in teams, filled plastic bags with the dried food mixture, measuring precise amounts.

Volunteer runners – including children ages 4 and up, ran filled baggies to the boxing station to be packed into cardboard shipping boxes.

Volunteer boxers – filled shipping boxes, counting completed packages as they went.

4. How many non-Rotarians benefited from this project? 45,600 (each box feeds a family of 4)

5. What are the expected long-term community impacts of the project?

In our community, this volunteer event that included non-Rotarians and their children raised awareness of world hunger issues and instilled community service values.

In the recipient countries, addressing hunger needs allows the recipients to focus on other family and community needs, building stronger communities.

6. If a cooperating organization was involved, what was its role?

Stop Hunger Now is a non-profit 501(c)(3) organization that supplies all food materials, equipment and shipping boxes. SHN also provided personnel to train volunteers and took the completed shipment to their warehouse. From there, the boxes were shipped to families in Vietnam.

WORKING TOGETHER TO END HUNGER IN OUR LIFETIME

Dear Rae,

Blessa Chloe Zamora is a happy, healthy 5-year old who loves food and will eat anything, except maybe vegetables. Abandoned by her birth mother as a baby, Chloe blossomed after receiving nutritious Stop Hunger Now meals at a children's home. A sweet and loving child who enjoys giving kisses and hugs to the staff, Chloe has grown to a healthy weight of 28 pounds and 39 inches tall.

Chloe is but one example of the tens of thousands of children around the world who are being helped by Stop Hunger Now. By packaging meals with us, you have helped put them and their families on a path toward a better life. Because you shared your time with us, these children have hope—hope for a wonderful childhood, hope for an education, hope for a better life.

We are delighted to announce that the meals from your meal packaging event on 10/17/2015 have been shipped in a container totaling 285,120 meals from our Southern California warehouse. ***If this is the second email you have received, this simply means that your meals have gone to impact multiple partners.***

The meals will be received by our in-country partner Children of Vietnam in Vietnam.

This shipment also included 150 water filter kits from Wine to Water.

Children of Vietnam is building bright futures for vulnerable children through life changing initiatives. This partner envisions a future where Vietnam's children have the life necessities necessary to achieve their full potential. The organization works toward this future by educating, healing, sheltering and nurturing. Children of Vietnam's nutrition initiative serves regular meals (3 times per week or more) to 8,000+ children through schools, orphanages, pagodas, or community programs for street children. Many other children are served on an as-needed basis in hospitals and clinics. Also supported are impoverished, elderly constituents, persons with disabilities, and other vulnerable people in homeless shelters and rural hospitals. <http://www.childrenofvietnam.org/>

Visit www.stophungernow.org for more information about how you can support Stop Hunger Now and continue your involvement in the fight against hunger. Follow us on Facebook at www.facebook.com/stophungernow for updates, videos and photos from the field.

Thank you for volunteering with Stop Hunger Now. We truly appreciate your dedication and commitment to the vision of a world without hunger.

Gratefully,

Ryan Pond
